

LIGHTHOUSE EIP L3 Quarter Fold Wipes

formerly Trust

Design combines high-strength, durable, textured exterior layers for long-lasting, cleaning performance with a highly absorbent interior layer for pathogen removal.

Advantages

- Durable textured exterior layers
- Better cleaning due to enhanced abrasion
- Excellent liquid absorption
- Controlled liquid release maximizes contact times
- No dyes used in manufacturing
- Less microfiber in land fills
- Cost effective

Applications

- High-Touch Surfaces
- Hospital Environmental Services
- Hospital Sporidical and Disinfectant
- Isolation Room Cleaning
- Operating Rooms/O.B.
- Medical Equipment
